

How to Register as a New Member

Thank you for wanting to join healthcare professionals from around the world who are already Webber Training Members. It's easy and it's free.

The process to Become a Member:

1. Connect to www.webbertraining.com
2. Click on Become a Member
3. Enter the facility name, your name, your choice of Username and Password, and all of the contact information requested.
4. Click Please Register Me at the bottom of the page and wait a few moments for the server to process your registration. If you used an identical Username or Password as an existing Member it will invite you to re-enter something else.
5. You will now be in your Member's Page.

From your Member's Page you can register for a teleclass (View Teleclasses), or apply for a Continuing Education Certificate (Certificate Manager). When you have registered for a teleclass, the topic will automatically appear in your Member's Page along with an icon for Invoice (assuming that you opted to be invoiced). Once the handout notes are posted, an icon for Notes will appear, and when the teleclass recording is posted to the web site an icon for Recording will be there as well.

When you want to log back in to your Member's Page:

1. Connect to www.webbertraining.com
2. Click on Member Login
3. Enter your Username and Password and click on Enter. If you cannot remember your Username or Password click on "Forgot Your Password" and enter your e-mail address. Your Username and Password will be immediately e-mailed to you.
